

HILLSTONE CORPORATION

CAPABILITY STATEMENT

Construction / Procurement / Logistics / Facility Support

Hillstone Corporation is a San Diego-based, SBA-certified Women-Owned Small Business offering construction, procurement, logistics and facility support to U.S. government agencies, prime contractors and commercial clients. Founded in 2020, Hillstone brings experienced leadership and a coordinated approach to project and operational requirements.

CORE CAPABILITIES

Construction and infrastructure

Design-build, pre-engineered buildings, civil works, renovations, roads, utilities and mission-support facilities.

Logistics and procurement

Equipment and material sourcing, freight coordination, fuel supply, warehousing and transportation support.

Fleet and project-site support

Vehicle, heavy-equipment and material-handling equipment leasing, temporary structures and containerized housing.

Facility operations and maintenance

HVAC, electrical and plumbing maintenance, janitorial services, housekeeping and facility operations.

LEADERSHIP EXPERIENCE

Founder and CEO **Suham Bakir Faqi** brings U.S. Government mission-support experience from Darya Company, including documented service as Operations Manager in 2014-2019.

Her background spans infrastructure, housing, logistics coordination, equipment and fleet support, housekeeping, catering and HVAC services.

PROJECT DELIVERY APPROACH

Security-sensitive operations. Coordination of screening, badging, installation access and deliveries to controlled project sites.

Supplier and workforce coordination. Engagement with suppliers and project personnel to align materials, schedules and site requirements.

Government workflows. USACE submittals, RMS, PIII and WAWF support; project-specific quality control and safety planning.

Leadership experience was gained at Darya Company and is distinct from Hillstone corporate past performance. Selected supporting records and verification contacts are available on request.
